Chapter 1 by Jason Peterson

I sprinted through the market. Shots were being fired at me. I looked back. He was still chasing me. Why are these people trying to kill me? A knife flew past my head. Suddenly, I blacked out.

I awoke, in a hospital. "He's awake!" yelled the doctor. A doctor ran in. "Hello, er..." said The Doctor. I can't think of my name. We stared blankly at each other. "I'm Dr. Eli Harris. Your name is?" He asked. I quickly tried to think of a name. "Michael." I lied quickly. Eli gave me a strange look. Then smiled. I started to black out again. "Take him." Eli said. I then blacked out, once again.
